Dear Mr. Fugard:

I wrote you on August 8 expressing interest in the life and work of Helen Martins, in *The Road to Mecca*, and in information you may possess or have access to about Owl House. I write again to assure you that this interest is not contingent upon any particular publication date for our newsletter.

Whenever you have the opportunity to write to us, we would be delighted. If there is someone else with whom we should be in contact, can you please let us know?

If a letter from us would be of any service to help advocate for restoration and preservation, we would be happy to write such a letter. I thank you in advance for your time and trouble.

Sincerely,

Elaine Wintman
