The Friends of Walker Rock Garden
5407 37th Ave. S.W.
Seattle, WA 98126

Dear Friends,

On June 30 a group from Creative Retirement Institute at Edmonds Community College made a field trip to The Garden. The weather was very hot and Florence Walker was not able to meet with us during our tour. Clayton did present a descriptive talk, but we strongly recommend that Mrs. Walker be assisted in making a tape which could be used for visiting groups. I know Clayton will agree that this is a good idea.

Our group contributed \$40.00 to the Friends of Walker Rock Garden. We hope that these funds could help with the expense of making a tape.

Sincerely,

Fran Mackie
