SPACES

Dear Mr. Lomax

Thank you for your letter about Houston's Orange Show, it was good to know that the site ^{was} in good hands. I met with Marilyn Lubetkin about a year ago in Los Angeles, prior to the purchase, but we have been out of contact since then.

I have mentioned the site numerous times to people in the preservation and folklore fields and will do so again this month - at a American Folklore Society conference in San Antonio, Oct. 22-25 - El Tropicano Hotel. There will be a lot of people there from all over the country.

I shall contact Marilyn Lubetkin as you suggested and perhaps we can be of some help in getting it open to the public.

Enclosed is some information about SPACES.

Thanks again for your concern.

Sincerely,

Seymour Rosen
