Dear Seymour,

Thank you for granting me permission so graciously!

I just got off the phone, speaking with Rex Golbransen, of the Arizona Commission on the Arts, and he informed me that the Garden will be included in the S.O.S. - or "Saving Outdoor Sculpture" campaign which is being directed nation-wide by the Smithsonian Institute. There will be an attempt to catalogue the sculpture, to develop public awareness of the importance, and to preserve the sculpture.

Just in case you need their address:
