of the David Scannell Club, Inc.

Gentlemen:

On behalf of the officers and members of the David Scannell Club, Inc., we extend a cordial invitation to each and everyone of you to attend our Annual Dinner Dance and Floor Show to be held at Bal Tabarin, June 15th, 1942, at 8:00 P.M.

This annual affair has in the past been strictly a Fire Department affair, but in view of your apparent interest in the Fire Department, plus the fact that you are becoming auxiliary members of the David Scannell Club, we feel that you are a part of the Fire Department and it is both to your advantage as well as ours to become better acquainted.

Tickets are on sale in every fire house. Admission is \$2.00 per plate, which includes tip and tax.

The Committee is working to put on the best show ever given at this price and inasmuch as we are expecting a capacity crowd it is suggested that reservations be made as soon as possible.

Very truly yours,

DAVID SCANNELL CLUB, INC.
