Seymour,

Hope you get this note in time.

Here are some materials that you might find useful or interesting. The Grotto of the Redemption looks like something I heard about near Toledo. Too bad Father Dobberstein died. I'd like to know if he got his ideas from the same source as this other guy in Ohio.

I'll be in L.A. or someplace in California from July 24 to August 8. My phone number will be (213) 545-6462 - Manhattan Beach. Hope to see you then.

- Dan
