Los Angeles, California 90028

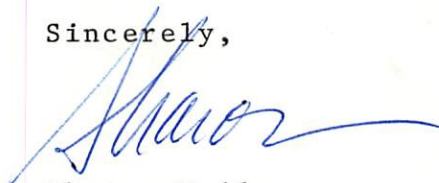

Dear Seymore:

I didn't make it to L.A. in July, obviously--but have made my travel arrangements to fly directly to Los Angeles on November 1. I hope that date is convenient for you. I very much look forward to visiting California folk environments and talking with you.

I will bring photographs of the Papio work for you to see.

See you in November!

Sincerely,

Sharon Wells,
Historian

SW/dld
