Dear John:

We hope this letter finds you well, and we hope you have received many letters supporting the preservation of Howard Finster's site.

Seymour and I are compiling information and articles for the next newsletter (#8), and would like to include an update on your efforts to preserve the Finster site. We would very much appreciate any help you can give us, whether in the form of general information or a small-column length article (no more than 200 words). Please let us know at your earliest convenience. We would prefer to have a response by July 1.

We hope your efforts to preserve Finster's site are being rewarded. Thank you for your assistance.

Sincerely,

Cynthia Pansing  
Assistant Director
