Dear Mrs. Bigelow:

This is an update to the last letter we sent you, a copy of which is enclosed.

Seymour Rosen and I are compiling information and articles for the next newsletter (#8), which will highlight Michigan. We would also like to include an update on the Historical Society's efforts and the Kaleva Bottle House. We would very much appreciate any help you can give us, whether in the form of general information or a small-column length article (no more than 200 words) written by you or one of the other members of the Historical Society. Please let us know at your earliest convenience. We would prefer to have a response by July 1.

Thank you very much for your assistance. We hope you are well and the Society's efforts are being rewarded.

Sincerely,

Cynthia Pansing
