Whittier, CA 90606

Dear Mr. and Mrs. Aguilar:

On February 19, 1981, the nine Twentieth Century Folk Art Environments were made California Registered Historical Landmarks. In 1982, the buildings were no longer on the site of Possum Trot. I am not aware of what happened to these structures. I suggest you contact Mr. Seymour Rosen, Director, SPACES (Saving and Preserving Arts and Cultural Environments), 1804 North Van Ness, Los Angeles, CA 90028, as he should have knowledge of what happened to Possum Trot.

Sincerely,

A handwritten signature in blue ink that reads "Sandy".
