Ms. Peggy Klick, Business Administrator
Napa County Museum Association
473 Main Street
St. Helena, CA 94574

Dear Ms. Klick:

Thank you so much for the package of information which you sent us about the Litto exhibit. It is very material which we are delighted to add to our archives. In that regard, would it be possible for you to send us a few more postcard invitations for our files?

I hope and expect that I will be able to see the exhibition on one of my trips up north. Again, thank you for the information.

Sincerely,

A handwritten signature in black ink, consisting of a stylized, overlapping scribble of lines that forms a shape resembling a star or a complex letter 'S', followed by a long horizontal line extending to the right.

Seymour Rosen
Director
