

MOUNT MERCY COLLEGE  
Cedar Rapids, Iowa 52402

One of the arches remaining from the Grotto of Our Mother of Sorrows, constructed on campus in the 1930's by W.H. Lightner, is made of rocks, rare stones, coral, and petrified wood from the United States, Mexico and Hawaii.

Hi Seymour -  
How are you -  
my project is coming  
along - slowly but coming  
more soon! Hope you  
are good! Jane Belmer
