City Clerk
Centerville, Iowa 52544

Dear City Clerk:

SPACES is a national nonprofit arts organization interested in identifying, documenting, and preserving unique, handmade projects. One of our members has told us about a project called Tosone's Roman Art in your city. Is this project in fact in your city? Who could we contact for more information about it?

Thank you very much for any help you are able to give us.

Sincerely,

Seymour Rosen
Director
