Dear Seymour

Got your letter and
the lovely poem
Thank you very much!

I had this book made
up and am wondering
what the cost would be
to have it made up
by someone you know.
I would have it
retyped and would
supply a mock-up
The types in not very
uniform as you see
and would make a
few changes as the deal
of the sale didn't go thru
I've sold a few but

haven't put them out
commercially as I only
had 100 made, and I
am not too happy with
them although the printer
did O.K. but
he was in a haste as
he sold the place.

There is a sort of
a script type (not
an elite) but no one
had one here that
I like much better.

I would appreciate
what information you
could give me about
making up the book
and hope it doesn't
bore you.

As ever,

Miles

The picture are not so
good as the newspaper did them.
I'm selling them for \$1.00
