

From the desk of

LORRAINE PHILLIPS

OCT 28, 00

Mr Rosen,

Here, at last, are 2 copies of my worksheets and the earlier lists that I compiled my data from.

Included is photos of the remaining artwork.

We gave all 20 grandchildren written forms to sign if they wanted items. Many of them only took some of Dade Costumes so there is still quite a few items left.

I hope this is of help to you
