Board of Supervisors

SAN LUIS OBISPO, CALIFORNIA

July 1, 1953

Mr. Art Beale
Cambria, California

Dear Mr. Beale:

The members of the Board of Supervisors have asked me to express their appreciation for the work that you did in hauling chairs and various other articles to San Simeon for the dedication of Hearst Park.

The Board members are very much interested in the county's recreational program and were most anxious that this dedication ceremony be a success. The fact that it was a highly successful occasion was in large measure due to the cooperation and public spirit of citizens like yourself.

Again many thanks for your efforts in making this dedication a tremendous success.

Yours very truly,

B. D. Conrad, Jr.
