Mr Rosen or Alias Seymour

Here is a list of people who have contacted us after seeing us on K&FT or in their magazine.

Mr Moyer says we are Go!  
He just needs to formally present it to the board of trustees next Wednesday but he says that is just a formality.

We are talking to Carneval & John about moving the Statues and if every thing goes smoothly we should be actually relocating the booth hill by mid June. I'll call as soon

as I know when Pierce is coming out to make decisions on other artifacts.

Keep your fingers crossed that all goes well!

Sincerely,  
Lorraine Pullip  
& Rosemarie Farish
