Dear Ms. Giersch:

A while ago we sent you a packet of material on Old Trapper's Lodge, dealing with a possible donation to the Los Angeles Zoo of the sculptures that comprise California State Landmark #939. A week after I sent the material, I left a message for you with GLAZA to see if I could answer any questions and to ascertain whether or not you were interested in the proposal. As of this date I have not had a reply, and therefore assume you and/or GLAZA is not interested in receiving Ehn's family's donation.

If this is the case, we would appreciate the return of the material we sent. Please mail it back to SPACES or leave it in the GLAZA office where I will pick it up. I would be grateful if you would call and let me know what you intend to do.

Thank you for your trouble.

Sincerely,

Seymour Rosen  
Director
