Dear Board Member: *Seymour*

Well, here they are and here we go with our first major community event! We have mailed out about 200 invitations to the locals on our mailing list and are sending you 4 to send to your friends.

Remember, this is a prime opportunity for your friends to show support for your project. Don't let them say no! Enclose a very brief note in each invitation and mail them tomorrow - not a day later. If you delay, we will not get our RSVP's in time to know how many to prepare for. And don't forget to mail yours in.

We are looking forward to the 20th with much excitement. Your attendance and support is essential to our success. See you there.

Sincerely,

Amy

P.S. Be prepared to adopt a building. It will get the ball rolling for others.
