Dear Mr. Beal:

Your letter of May 14th. received and contents fully noted.

From your letter I notice you are connected with the Navy in some way or other, if so, you are excused for your failure of not answering my last letter.

I was very much pleased to see that you thought enough of our Amateur Song Writing, to participate in our contest, so therefore lots of luck to you, may you be one of the many winners.

You are correct, I am, Vice President, of the, "United Music, Inc. and will be at your service anytime you may call upon me.

Since writing you last most of my time has been spent with the, "United Music, Inc. in trying to help many Amateur Song Writers like myself in any way possible, so that they will not continue to throw away their money to these many song sharks, no doubt you no what I mean.

Just remember Arthur, if at anytime I can be of any help to you, just feel free to write me and ask what ever questions you may want to know, I hope that I have made myself clear.

Till I hear from you again, lots of luck, I remain,

Yours very truly

Anthony L. Ley
