Dear Professor Laporte,

With reference to your enquiries at the 'Comune di Serino' regarding the next of kin of the late Sabato Rodia. The comune have contacted me as I am Sabato's sister-in-law.

I would be obliged if you could reply by return of post as to the exact nature of your enquiries, and to what is required in the nature of certificates or other proof of my relationship to Sabato Rodia.

If your enquiries are urgent it is possible to telephone AVELLINO 31110 and speak with Mrs. LYN GRASUOLO who is an English relative of mine.

Thanking you in anticipation of your early reply.

Yours faithfully

Rizzo Rosa
