Dear No Hands Productions:

A while ago SPACES did a positive review of "Howard Finster, Man of Visions: a Portrait of an American Original" in our newsletter, which I hope we sent you.

SPACES constantly gets calls for information on film on artists like Finster. Is the video still available for sale/rent — through your company or another distributor? Please let us know.

Prior to the review, we were promised a copy of the video for our archives. We never received one and would love to have one for the Finster file.

Did you know Finster will be included in a show at LACMA next year?

I hope to hear from you soon.

Sincerely,

Seymour Rosen  
Director
