Dear Mr. Paul,

Thank you for the information on Howard Finsters' visit to Los Angeles.  
I look forward to meeting Howard on the 27th.

If there are any other public appearances planned I would really like to  
know about them.

If Howard would like to see the Watts Towers, I would be more than happy  
to show him around. The site is now closed most of the week but I can  
have access if I have a day or two notice.

I have never seen the Johnny Carson show that the Rev. Finster was on - if  
they knew he was going to be in town perhaps they could show that  
segment by the end of October.

When we talked on the phone you suggested that I prepare a list of names  
of people that should be notified of the activities at the Rodeo Collection.  
The following is that list of names. They are important people but I do not  
believe they will duplicate other lists you may have.

If I may be of any help, please let me know.

Sincerely,

Seymour Rosen
