Dear Leonard:

Ever since you and Larry came to the Museum and showed the Salvation Mountain video, I have been wanting to plan a visit your way.

Our docents who give tours in the Museum to children and adults are very interested in seeing your special mountain.

Could we visit you on Monday, March 4 at around 1:30-2:00 p.m.? We will be approximately 40 people.

Sincerely yours,

Sidney Williams,
