

Garden of Eden

**Garden of Eden
Lucas, Kansas**

Mr. Dinsmoor built a "Garden of Eden", containing among other things, trees, sidewalks, fences, flower beds, fish pool, bird and animal cages, U.S. Flags, a "Goddess of Liberty", soldier, Indian, animals, birds, a monument showing the crucifixion of Labor, angels, the devil, Adam and Eve, the serpent, Cain and Abel, and a visitors dining hall. All these things are constructed of cement, and by 1927, he had used over 113 tons or about 2,273 sacks of cement.
