The beautiful Grotto and Shrines at Dickeyville, Wisconsin, built by Father Matthias Wernerus between 1925 and 1931, give glory to God and praise to America. Father built the Grotto and the Shrines to express his gratitude to God for his

faith and his adopted country. Thousands of Christians of all faiths have been inspired by his work. If you have not visited the Dickeyville Grotto, please accept this invitation. If you have, come back again and bring your family.
