Dear Ms. Meyer,

Thanks for your recent letter. Yes, it makes great sense to tie together an article about the Grover Thompson Garden with the exhibition at the Arizona State University gallery. I, or Elaine Wintman who is Editor of the Newsletter, will be in touch with more details when the deadlines for 1987 issues get closer. Thanks. Meanwhile, we look forward to hearing from you with any news about the site. Marian Blake should feel free to contact us, if she needs to.

Thanks again.

Sincerely,

Jocelyn Gibbs
Associate

P.S. Do you know about Laura McBride's house in Flagstaff, Arizona?
