HOWARD FINSTER'S PARADISE

at Rome Area History Museum
June 21 - July 7, 2012

Opening Reception: Thurs., June 21 • 6-8 pm

View the work of Chattooga County visionary minister and artist, Rev. Howard Finster (1916-2001). Finster, often referred to as the Grandfather of Southern Folk Art, was recognized in many art circles as one of the South's greatest artist. The exhibit incorporates original paintings, art constructions and writings by the artist, as well as remembrances by others. Much of the work is on loan from private collections, brought together for this special show. (Cover art by *Georgia Artist, Steve Penley of Rev. Howard Finster*).
