Dear Cathy,

Thank you so much for your fine article on the Rev. Howard Finster. I loved it! It is the best piece on him I've read. It will become an important part of our archives.

I hope you will continue to write about others, like Finster, who have a dream and it visible to the rest of us.

If possible, could you please share the name and address of that student from Michigan who is documenting the Finster site?

SPACES is working on our next newsletter - can we excerpt from your article? Credit of course will be given.

My best.
