Look for PASAQUAN signs at turn points. Drive north from Buena Vista town square (northwest corner) on GA 41, drive about 1 1/2 miles (you'll pass Marion Memorial Hospital on left and C & W cabinet works on right--also the county sheriff's office and jail-slow down!). Bear left at the Gypsy Camp Service Station and drive about 3+ miles to the second paved road on your right. This is the "Eddie Martin Road." Turn right and go about 3/4 miles. You can't miss it. (But if you do, return to Buena Vista and ask somebody.)
