Dear Kea,

I'm sorry we didn't get to talk on the phone a few nights ago. By the time Camilo got me on the phone and gave me your number it was too late.

I wanted to tell you for a long time how much I have enjoyed your most wonderful ark. Unfortunately, most everything I know is from Camilo, pictures, the enthusiastic stories of friends, and what I've read in the papers. I hope to correct that on my next trip to the East, which will give me a chance to visit. Meeting you and seeing your Ark is the only reason I can think of, to make the trip to Newark.

You have friends you have not met yet who support your dreams, all over the country. Keep up the good fight! SPACES will continue to help as best we can - our prayers are with you!

My best,

Seymour
