Dear Mr. Lund:

We first heard of your work in the book Amazing America, and later in the book Rainbows in the Sky. We are very interested in your project, and would love to have more information or copies of pictures.

SPACES is an arts organization which gathers information about unique, handmade projects and shares this information with others. We are currently finding our about projects in Michigan.

Are you still open Memorial Day-October 1 from 8 A.M. to 10 P.M.? Have you added new pieces to the garden or are you more concerned with keeping what is there? Any information you can share with us would be most helpful. We enclose a stamped self-addressed envelope for your convenience.

Thank you in advance for your time and assistance.

Sincerely,

**Seymour Rosen
Director**
