

## ADMISSION

There is no admission charge, only a free will offering. The motive for this arrangement is that people with large families will feel free to come.

We have a wheel chair that can be used free of charge for those not able to walk.

Every year we have guests from foreign countries. These guests have been told of this garden upon their arrival in this country and have been determined to visit it. Many times there are as many as two and three Greyhound bus loads of people going through the garden at the same time.

Each year a new interest is added to the garden in the form of one new scene and by the addition of interesting pieces to the old scenes.

This garden is endorsed by churches of all faiths.

## CENTRALLY LOCATED

The garden is 22 miles from Traverse City, Michigan by way of Cedar City and Maple City, 40 miles from Frankfort, Michigan, 35 miles from Beulah, Michigan and 9 miles north of Glen Lake on M-22.

**Open daily from Memorial Day through first of October.**

**Go to the church of your choice on Sunday, relax, worship and meditate. People of all creeds have visited the garden and found nothing offensive to their belief.**

Thirty Six Scenes

## THE GENTLE GARDENER

I'd like to leave but daffodils  
to mark my little way,  
To leave but tulips red and white  
behind me as I stray,  
I'd like to pass away from earth  
and feel I'd left behind  
But roses and forget-me-nots  
for all who come to find.

I'd like to sow the barren spots  
with all the flowers of earth,  
To leave a path where those who come  
should find but gentle mirth,  
And when at last I'm called upon  
to join the Heavenly throng,  
I'd like to feel along my way  
I'd left no sign of wrong.

And yet the cares are many and  
the hours of toil are few  
There is not time enough on earth  
for all I'd like to do.  
But, having lived and having toiled  
I'd like the world to find,  
Some little touch of beauty that  
my soul had left behind.

## SCENIC GARDEN

Mr. and Mrs. E.K. Lund, Founders

### WORD FROM THE FOUNDERS

We believe that the garden is the only one of its kind in existence.

Each of the scenes portray an important event taken from the life of our Lord while He walked the shores of Galilee. Before starting the work at the garden we traveled extensively, holding special meetings in various denominations. While we were making scenery for one of the plays which Mrs. Lund had written, the idea came to us for this garden.

We immediately began making paintings for our garden, although we had no idea as to where it would be placed. This was in 1938.

Six years later, in 1944, while we were holding meetings in Traverse City, Michigan, 16 acres of land to be used for this garden were donated by Mr. and Mrs. James Swanson. Actual work upon this project started in the spring of 1945, and continued for four summers. To prepare for the necessary paths, we personally did the work of clearing the brush, felling and removing certain large trees, from which much of the lumber was made that was used in our construction work. In addition we continued with the painting of our scenes.

The garden was dedicated on August 15, 1948, and is considered the most beautiful religious spot in northern Michigan.
