To whom it may concern:

We have heard about a wonderful place in Maple City called "Lund's Scenic Garden." Do you have any information about this place? Is there anything published that we can write for (if so to whom shall we write)? Is there a particular person who is knowledgeable about this place? If this place is not in your jurisdiction, can you either forward this letter to the correct Chamber of Commerce or let us know to whom we should write?

SPACES is an arts organization which gathers information about unique handmade projects, and we are currently doing a survey about projects in Michigan. If there are other projects in your area that you think we should know about, please tell us. Thank you in advance for your help. We look forward to hearing from you.

Sincerely,

Seymour Rosen
Director
