Dear Elaine:

In your recent letter you wanted to know about a Dorion Raidel who made birdhouses, after doing some inquiring I found out that he passed away a few years ago.

You also asked if there was any other projects in our area to let you know, the only one we know of is Harold Rose, at 503 W. Fourth Street, Charlotte, MI 48813.

I hope we have been of some help to you and thank you for contacting our Chamber.

Sincerely,
Charlotte Chamber of Commerce

Karen Rickerd, Sec.
