

THE GOLDEN RULE  
FOUNDATION

Feb. 3, 1998

Attn:  
Mr. Bud Goldstone  
Watts Tower Conservator

Sir, I'm sorry for waking you up so early this morning, I forgot all about the time difference between the west and east coast. I will be in L.A. from the 20 to the 25th of February for the council on family foundations annual meeting. I would like very much to meet you at 9:30am on the morning of the 20th of February at the Watts Towers in order to discuss "El Jardin de las Pozas", in Xilitla, Mexico. Our Foundation is very interested in setting up a grant to preserve the decaying cement structures that comprise the sculptures in the garden.

I will be the only one at the meeting and if you'd like to go out for lunch afterwards it would be my pleasure. I can be reached at: (215)729-1991, my mailing address is P.O. Box 30841 Phila. P.A. 19104.
