Many thanks for the selection of color slides and proofsheets. The designer is working with them now and hopes to intersperse B/W photos with the color. I'll let you know which prints they would like to use.

They do want to use the photo of Baldasare. I hope you can supply it soon, and they will let me know about the site plan early next week.

Attached is a copy of the text as you requested. If you want to make notes on it, I'll pass it on to the editor .

Many thanks for your assistance. Regards,

*Lindsay*
