Dear Ms. Wyle:

The next time you are in hollering distance of Clovis, CA, please get in touch with an old gentleman by the name of Leo Gould, who happens to be one of the most brilliant western sculptor you will ever hope to meet. And, he has never "been discovered". His old house is full of the most fantastic collection of western art anyone could hope to see in a museum. And to top it all off, he's a nice old guy.
