

Cleveland Ohio

Dear Friend: — April 12, 1935

Just a line to enclose your letter from Al.
Hope you receive it O.K.
sorry I couldn't have sent it sooner. But have been so busy and so much on my mind. I just neglected it however I hope it will be O.K.

Write to us once in a while
& let us know what you are doing. Also tell Al hello
and that the wife says
hello & for him to drop
us a card once in while.
So long for this time
Steve

P.S.

Hazel says hello to you both
