Dear Sir:

In reply to your recent communication, we are enclosing a renewal application for 1935 registration plates covering Buick Coupe, manufacturer's No. 1427095.

The theft record in connection with this particular vehicle is being removed from our files and we are substituting your Buick Sedan, motor No. 1482178, manufacturer's No. 1435962. If any information is received in this Department concerning the latter vehicle, you will be immediately advised. If the car is recovered by other means, advise us in order that our files can be adjusted.

Very truly yours,

H. RICHARD STICKEL

Director - Bureau of Motor Vehicles
