Attention: Ms. Farish

Gentlemen:

In confirmation of our telephone conversation of last week and as follow-up to my letter of July 6, 1988, I again want to express the appreciation of the Los Angeles Community College District and its Board of Trustees for your generous donation. The folk art, western artifacts and the cabin structure to house and display these works of art will be a positive addition to the Los Angeles Pierce College campus.

Your recent and continued support for our educational programs is most appreciated.

Sincerely,

Harold W. Garvin  
President of the Board
