Gentlemen:-

Please forward company
progress to above address.

Sorry not to inform you of
my change of address.
Wish to learn of the progress of
the car, as I have an idea of advertising.

Respectfully
Arthur Beal

Dear Mr. Beal,;

The Board of Trustees who took over the management of the Lewis American Airways Inc., on the 8th day of July last, will send out an announcement as to the progress made in getting this company in shape to try to get a production contract. It will be some time yet before this will be sent out. In the meantime just give us some time to get things in shape.

Yours very truly,

Investors Protective Committee, Trustees,
Re Lewis American Airways Inc.
