Dear Friends of Art Beal,

Thanks to your generosity, we are pleased to announce that your support of the Art Beal Foundation fund-raiser, April 20, netted <sup>1003.74</sup> \$953.74 in ticket sales, donations, and the art auction.

As noted earlier, the funds will be used for the following purposes:

- \* to begin legal proceedings to preserve Nitwit Ridge as a county landmark
- \* ~~knowminkinax~~ to file for <sup>to</sup> and incorporate the Art Beal Foundation
- \* to initiate a series of community projects, including a free community garden project for seniors and other groups, a handicapped children's project, and a Save other Indian landmarks project.

The funds generated April 20 will not begin to cover all of the above goals, and for that reason, ~~future~~ future fund-

raisers will be held. The next one, time & place to be announced, will include Robert Clark, noted Cambria artist, a raffle has donated a hand-colored reproduction, 23 x 32 inches worth \$150. to be raffled off, along with other prizes. ~~this summer~~
