Dear Seymour,

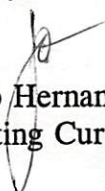

It was nice to speak with you on Thursday, and I'm glad to hear you made it through the quake alright.

Enclosed please find the John Ehn portfolio, as per our discussion. I will try to get an opportunity to speak with Steve Brezzo of the San Diego Museum of Art to determine whether he is interested in pursuing a donation from the Ehn Family Trust, and will let you know his comments. If he is interested, I would think San Diego would be an excellent venue for the placement of some of this material.

Thanks again for your efforts to place some of John Ehn's works at the Monterey Peninsula Museum of Art. I'm sorry that the Museum has now declined to accept it, but hopefully it will find appropriate homes elsewhere.

Best wishes to you for the new year. I hope to get a chance to see you again soon.

Sincerely,

Jo Farb Hernandez
