hi symon -

I had the opportunity to speak with Steve Brezzo at the San Diego Museum of Art regarding the John Ehn material, and he was extremely interested. I told him I'd pass the word, so now it's up to you & the family trust.... You can reach him at SDMA / Balboa Park / PO Box 2107 / San Diego, 92112-2107. His phone is 619-232-7931; fax is 619-232-9367.

Missed you at the Outsider fair - what a shame! Finally had a chance to meet John from Raw Vision - he told me to hassle you about an article you're writing - was it Watts Powers?

Hope this works out for the Ekns at  
San Diego - good luck -  
and hope to see you soon

Best -
