Dear Councilman Wachs:

On behalf of the John Ehn family and SPACES I want to thank you for your interest, help and suggestions towards the preservation the California State Landmark, #939, Old Trappers Lodge.

We look forward to working with you towards the relocation of John Ehn's sculptures. It is extremely encouraging that you share our desire to keep this Landmark alive and within the City of Los Angeles.

Rosemarie Farish and I enjoyed our most productive meeting ~~today~~ with you, Patrick Ela and Huell Howser. Please let us know if there are any questions we can answer or materials or information we can supply to help in this endeavor.

Our best.

Sincerely,

Seymour Rosen
Director
