98?

Dear Leonard

Did you get our postcard from Mexico? We all thought of you while we were there.

We're now back in England and living on our memories! Everyone who sees our photos + film says how fantastic they think your mountain looks. I think it's going to be really popular on TV.

I'm sending you a couple of photos of you with Jarvis + Martin which I thought were nice.

I hope to come back some day.

Bye for now

George
