Dear Seymour

Thank you for going to Santa Barbara with us. I think it was a lot of fun for me. Things seem to be going alone better than ~~a~~ a year ago?

I wish I knew what to do more. seems like everyone is helping me a lot, and I'm just sitting here waiting for paint to come in - Ha Ha.

Much love and again many thanks for the real good help -

Leonard Knight. It was nice getting to know you better. Keep up the good work. OK.?
